***** TIP: How Do I Know What Kind of Mortgage my Landlord Has? *****

You can try to look up whether your landlord has a mortgage in public records (free access at: <https://mdlandrec.net/main/index.cfm>). However, whether their loan is covered by the below federal programs may not be recorded.

Your landlord may be able to tell you, and if not, they can look up whether they have a Fannie Mae/Freddie Mac-backed loan on the Fannie/Freddie website.

Talk to a lawyer if you have questions and check back for updated info!
